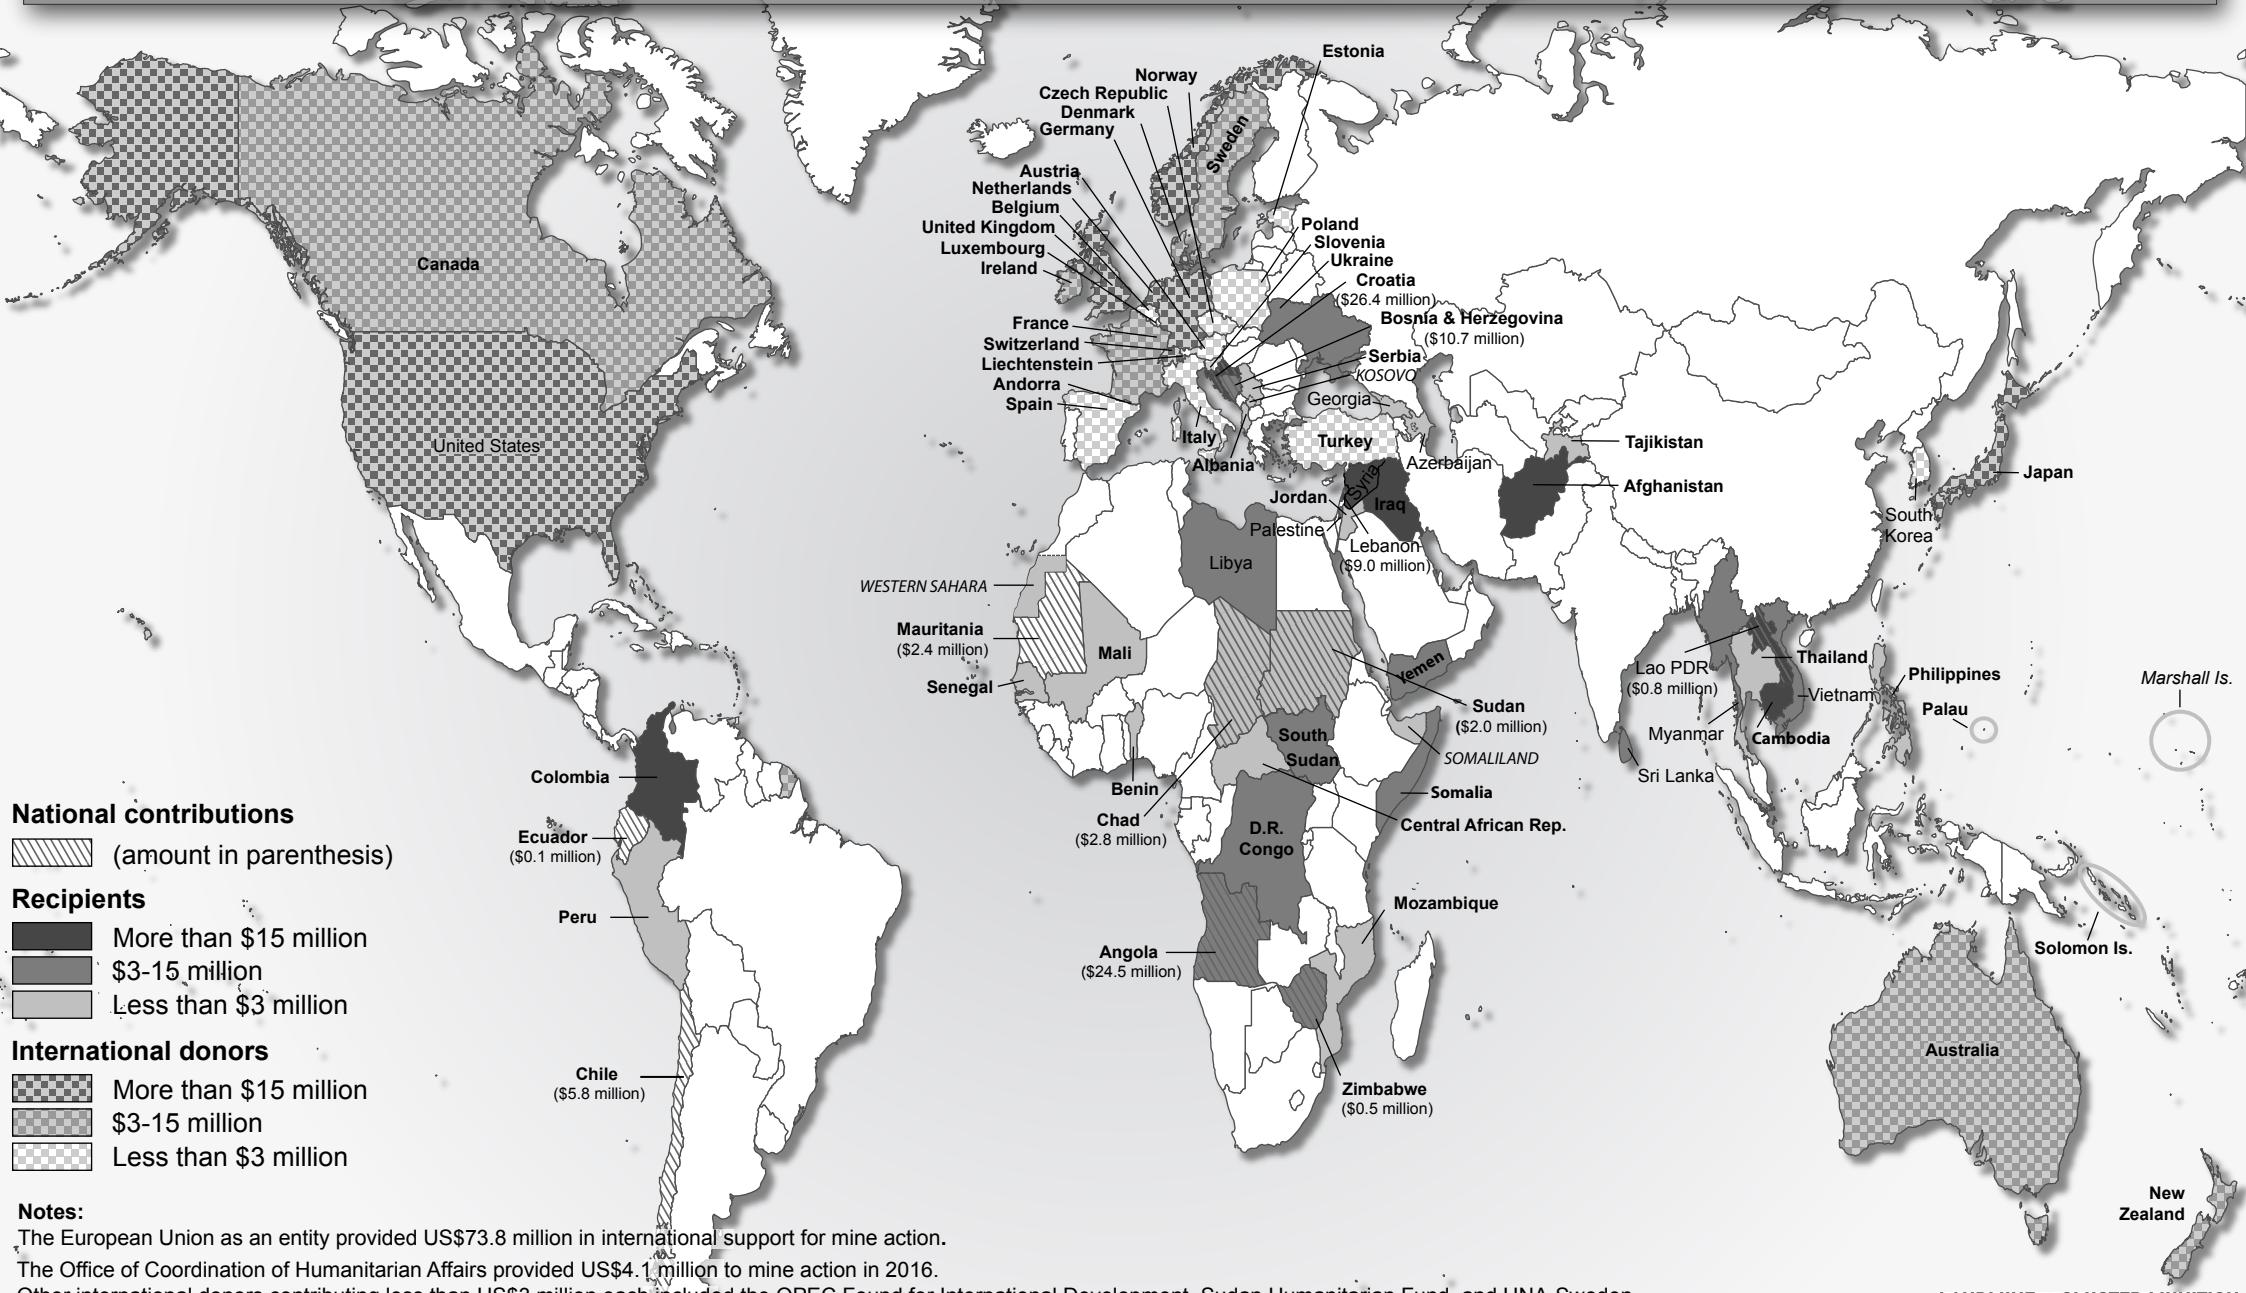
Support for Mine Action: 2016



Notes:

The European Union as an entity provided US$73.8 million in international support for mine action.

The Office of Coordination of Humanitarian Affairs provided US$4.1 million to mine action in 2016.

Other international donors contributing less than US$3 million each included the OPEC Found for International Development, Sudan Humanitarian Fund, and UNA-Sweden.

International donors provided an additional US$52.7 million without designating recipient state(s).

States Parties to the Mine Ban Treaty are **bold**. *Signatory* is *italics*. *OTHER AREAS* are *UPPER CASE ITALICS*.
