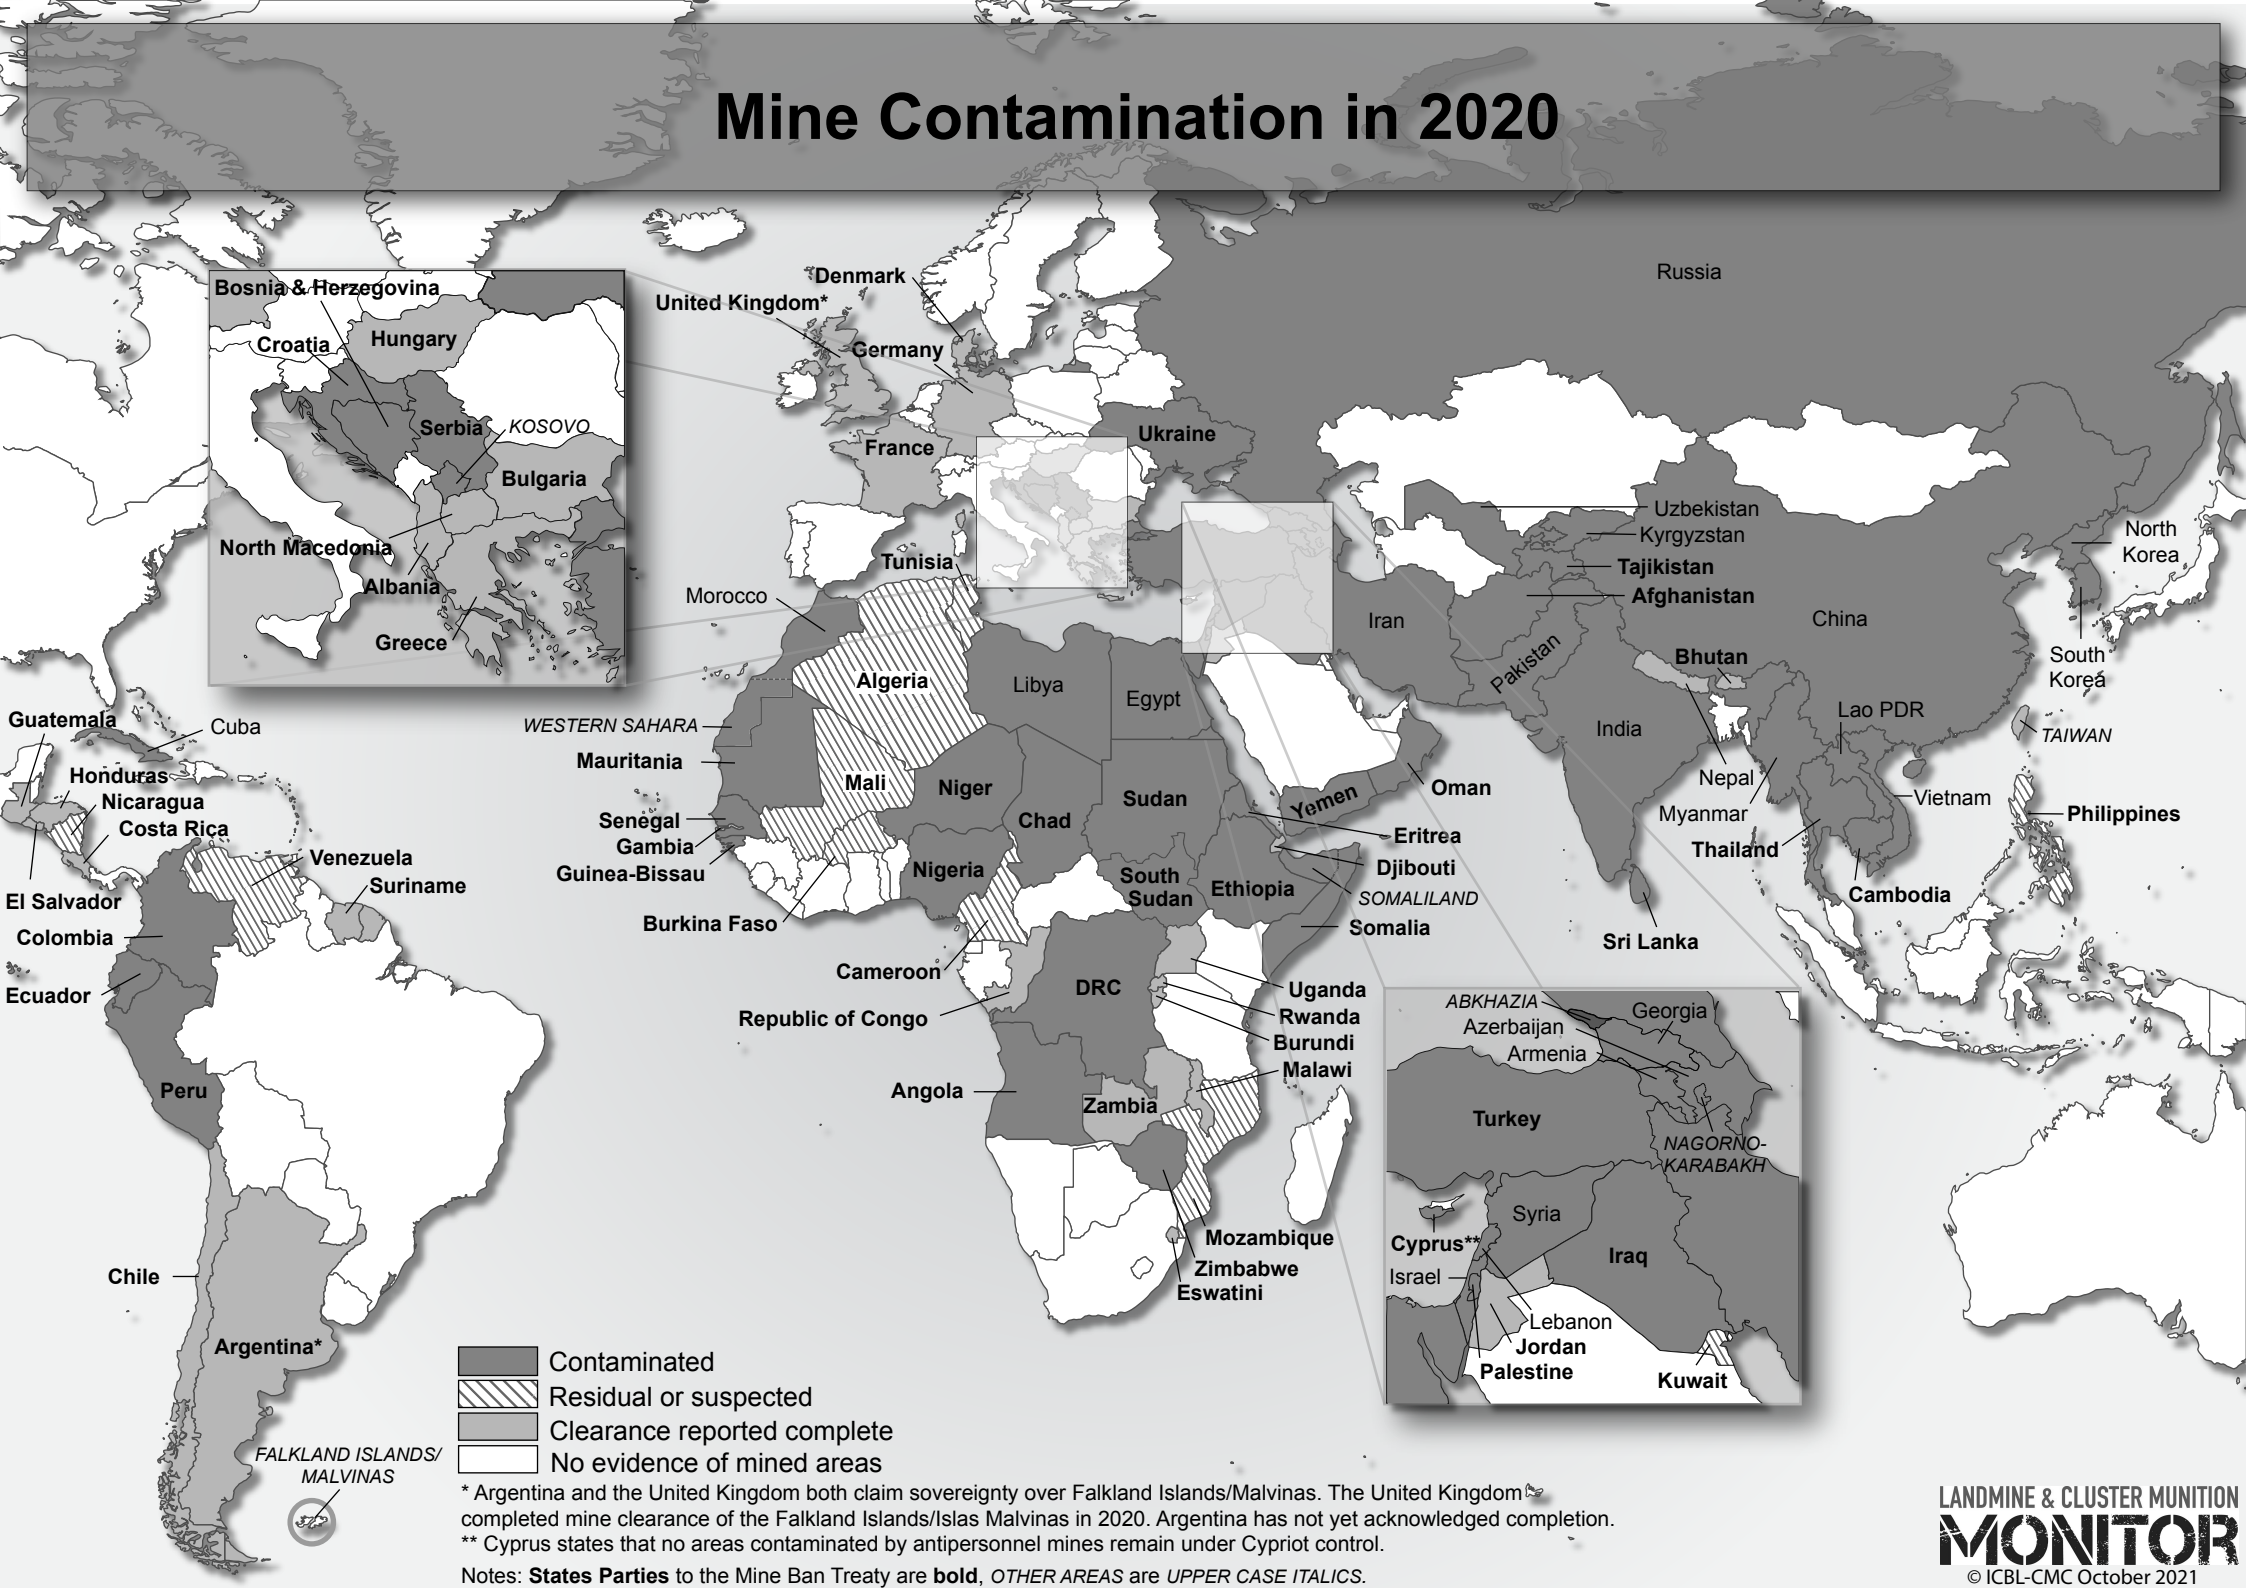
Mine Contamination in 2020



* Argentina and the United Kingdom both claim sovereignty over Falkland Islands/Malvinas. The United Kingdom completed mine clearance of the Falkland Islands/Islas Malvinas in 2020. Argentina has not yet acknowledged completion.

** Cyprus states that no areas contaminated by antipersonnel mines remain under Cypriot control.

Notes: **States Parties** to the Mine Ban Treaty are **bold**, *OTHER AREAS* are *UPPER CASE ITALICS.*
